## VALUE DEMONSTRATION TERMS AND CONDITIONS

### 1. EQUIPMENT

#### 1.1 Equipment Details

Haemonetics is providing equipment for purposes of demonstrating its value to Customer (“Equipment”). The Equipment shall be shipped to the address indicated on the Equipment Matrix. For the purpose of the demonstration, Haemonetics shall provide products for use with the Equipment at the prices described in the Consumable Matrix (“Consumables”). Customer acknowledges that ownership of the Equipment remains with Haemonetics and Haemonetics reserves the right to collect the Equipment (a) if Customer does not use the Equipment in accordance with the manuals and instructions provided by Haemonetics, (b) at the completion of the demonstration or (c) at Haemonetics’ sole discretion.

### 2. GENERAL

#### 2.1 Consumables

Customer agrees to purchase consumable supplies (the “Consumables”) for use with the Equipment from Haemonetics. Pricing for the Consumables is indicated in the Consumable Product Matrix and includes a surcharge to cover all costs associated with usage and shipping of the Equipment during the demonstration. After the expiration of the Term, the Consumables shall no longer be available at the price listed in the Matrix. However, Customer may purchase at Haemonetics then standard price.
